Re: Water Service Corporation of Kentucky
Petition for Confidentiality
Case No. 2005-00325

Dear Mr. Hughes:

The Commission has received your petition filed September 30, 2005, to protect as confidential three schedules related to pro forma adjustments, the Independent Auditor's Report and the Distribution of Expenses Report. This material does not meet confidentiality criterion as it does not demonstrate a competitive disadvantage. The information shall be withheld from public inspection for 20 days from the date of this letter to allow you to seek any further remedy available to you.

The procedure for obtaining confidential protection for information filed with the Commission is prescribed in 807 KAR 5:001. Among other things, the regulation requires that requests for confidential protection be made by petition describing the information sought to be protected, setting forth the grounds upon which exemptions from public disclosure is claimed and, where the exemption is claimed on the basis of competitive injury, identifying the competitors who would derive benefit from the information.

Sincerely,

Beth O'Donnell
Executive Director
